MMI Textiles, Inc. (seller) may increase the price of any products ordered by buyer but not yet shipped by seller if seller's cost for such products has been increased by seller's supplier. Seller may increase its quoted price by a percentage equal to the percentage of increase in seller's cost for the products and buyer agrees to pay such increased price in accordance with this agreement.

All custom orders require a 50% deposit prior to the start of production. Order fulfillment to fall +/- 10% per the industry standard with the exception of labels.

* All shipments of labels will be within a 15% overage of the quantity ordered.

A 3.2% processing fee will be added to all credit card payments.

For International Customers, MultiCam ® fabrics may only be used in Foreign Military Contracts and a signed MultiCam ® Fabric Use Agreement is required.
