MMI Textiles, Inc. (seller) may increase the price of any products ordered by
buyer but not yet shipped by seller if seller's cost for such products has been
increased by seller's supplier. Seller may increase its quoted price by a
percentage equal to the percentage of increase in seller's cost for the
products and buyer agrees to pay such increased price
in accordance with this agreement.

All custom orders require a 50% deposit prior to the start of production.
Order fulfillment to fall +/- 10% per the industry standard with
the exception of labels.

* All shipments of labels will be within a 15% overage of the quantity ordered.

A 3.2% processing fee will be added to all credit card payments.

For International Customers, MultiCam ® fabrics may only be used in Foreign
Military Contracts and a signed MultiCam ® Fabric Use Agreement is required.
